Hi \_\_\_\_\_,

I've got great news! I've found out about international project competition I  
You know, there's a special educational committee, which encourages young people to do some research and project work. I'm going to apply. Would you like to join me? If we work together, we can register as a team, if you are with me, we need to agree on the subject we are going to research and the number of people in our team. If you have some reliable friends, they are welcome, too. Let me know what you think about it.

Hope to hear from you soon, Jeffery.
